Where an agency is listed as an Airline Reporting Corporation (ARC) Industry Agent and has executed the ARC Agent Reporting Agreement, this document is the written Certificate of Appointment referred to in Subsection V.B. of that Agreement. It is a condition of this appointment that any material changes affecting the information previously submitted to obtain or maintain such appointment be submitted to the Passenger Network Services Corporation, trading as the International Airlines Travel Agent Network, and that any appointment of any of the above airlines may be terminated upon a finding that the individual appointment standards of the airline in question are no longer met.
